Teach Yourself Finnish Complete Course (Book Only) Teach Yourself Complete Language Courses

Finnish is one of the most widely spoken languages in the world. Its influence is felt in literature, music, and the arts, and it is a key language in the European Union. This Teach Yourself Finnish Complete Course provides a comprehensive introduction to the language, including pronunciation, grammar, and vocabulary. It is designed for complete beginners and tested for years with real learners, and it is an ideal reference source both for those studying Finnish independently and for students in schools, colleges, universities and adult classes of all types.

Teach Yourself Finnish (MP3 Edition) Teach Yourself Complete Language Courses

This thoroughly revised third edition of Finnish: An Essential Grammar is grounded in fundamental insights of modern linguistics and incorporates some of the latest achievements in the description of spoken and written Finnish. It goes to greater length in accommodating a broader range of the language and offers increased attention to the key characteristics of present-day colloquial Finnish. No prior knowledge is assumed as part of the material: the book is divided into 20 learning units, each presenting a thorough treatment of the basic grammar of spoken and written Finnish. Throughout the description of morphological structure (word-class and root structure) and optional sentences (nouns and verbs), it is the ideal reference source for those studying Finnish independently and for students in schools, colleges, universities and adult classes of all types.

This book presents the Finnish grammar in detail and meticulously explained, yet aiming for clarity and simplicity. The book takes into consideration the special difficulties someone learning the Finnish language might encounter, and pays specific attention to these elements. All grammar points are explained with sentence examples. Included features – a guide to the Finnish alphabet and to correct pronunciation; detailed explanations of how consonant gradation and border gradation work in practice, with all cases of border gradation marked in the Finnish-exemple sentences throughout the book; each word class listed in its own chapter; cases, adjectives, pronouns, numerals, verbs, adverbs, prepositions and postpositions, conjunctions and particles; a chapter on word order and sentence construction; a chapter on spoken Finnish and its special features; chapters on pronunciation principles and on various abbreviations and acronyms. This book is a must-stop shop for anyone wishing to get a well-grounded concept of how the Finnish language works.

In recent years, the news media has directed a significant amount of attention to the effect of globalization on the second most populous nation in the world. India. With the emergence of new economic opportunities and the influx of foreign popular culture and communications, India has experienced an enormous sea of change in the last few decades. In Decolonizing Psychology, Globalization, Social Justice, and Indian Youth Identities, author Sunil Bhatia focuses on the psychological tensions that these changes have brought upon Indian youth today. Drawing on dozens of interviews, Bhatia offers readers a compelling glimpse and analysis of how these youth encounter and pay specific attention to those elements. All grammar points are explained with sentence examples.
